

# AUGUST 2018

A new chapter begins. This Sunday, Joyce and I will close a large portion of the book of our lives and begin a new role in ministry. We have completed over 58 years of a preaching and music ministry together. I always said I would not consider a church call that did not need a pianist. Our four ministries all got two for the price of one. While Joyce will continue to play as long as needed or until our music style changes, George will be an on-call minister. My cell phone number stays the same and you feel free to call anytime you have a need. As long as I am physically able I want to continue to minister and serve the family of God.

Please come this Sunday, August 5, and listen with anticipation to my last sermon as your "preacher." The sermon title is "This One Thing I Will Do." I will try to close this chapter of my life with a meaningful message on what lies ahead for all of us.

Love you all,  
George
