BOARD MEETING JULY 2 - 6:30

PARSONAGE REMODEL

The tan carpet has been removed from the parsonage. The next steps are to paint the walls, paint the baseboards and trim, and then install the new flooring. The two smaller bedrooms and back bathroom will be painted gray while the remaining rooms will be painted a tan color. The paint and supplies are already in the parsonage.

If anyone has painting skills and would like to help, please volunteer. The parsonage is open and the supplies are there, so you can go by at your convenience.
